## LAUNCH YOUR CAREER

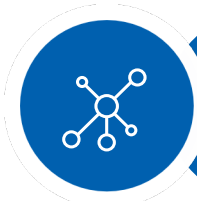

### ROLES OF A PHARMACY TECH:

- Manage Inventory
- Receive Prescription Requests
- Count and Measure Medications
- Manage Patient Records
- Accept Payments & Process Insurance Claims
- Patient Customer Service

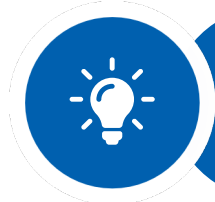

### BUILD YOUR CREDENTIALS

Developed in-part by the National Healthcare Association and approved by the WV Board of Pharmacy, this will qualify you to take the ExCPT and earn the Certified Pharmacy Technician (CPhT) certificate

### COMPREHENSIVE TRAINING

Get paid for on-site training and work alongside field experts, with no prerequisite pharmacy or medical training required. In addition, you will partake in at-home computer-based learning modules to prepare you for a lifelong career.

### EXCEL IN YOUR CAREER

Pharmacy Technicians are in-demand! Upon completion and becoming a licensed Pharmacy Technician in WV, Cabin Creek Health Systems may offer continued employment post-certification.

## APPLY NOW

The current round of enrollment's deadline is January 31st!
