

# BECOME A MEDICAL ASSISTANT

NO COST!

## NIMAA TRAINING in under 8 months!

After completion, we'll hire you **FULL-TIME!** Graduates are required to commit to two years of service at Cabin Creek Health Services.

### Learn as You Earn

CCHS covers tuition costs for accepted applicants and can offer up to 20 hours of employment per week during school

### Gain Real-World Experience

Accepted students will complete their hands-on training in a CCHS clinic alongside experienced providers

### Accredited Training

The NIMAA training program, lasting 29 weeks, blends work-at-your-own-pace modules with hands-on learning

## ABOUT NIMAA

The **National Institute of Medical Assistant Advancement (NIMAA)** is a nonprofit educational institute dedicated to training Medical Assistants for effective work in today's high-performing primary care settings. Created by community health centers, NIMAA aims to provide education and employment opportunities in the communities they serve, while addressing the growing demand for medical assistants.
